Historical, cultural and natural cycling route around the Tatra Mountains

PhDr. Mgr. Ján Ferenčák

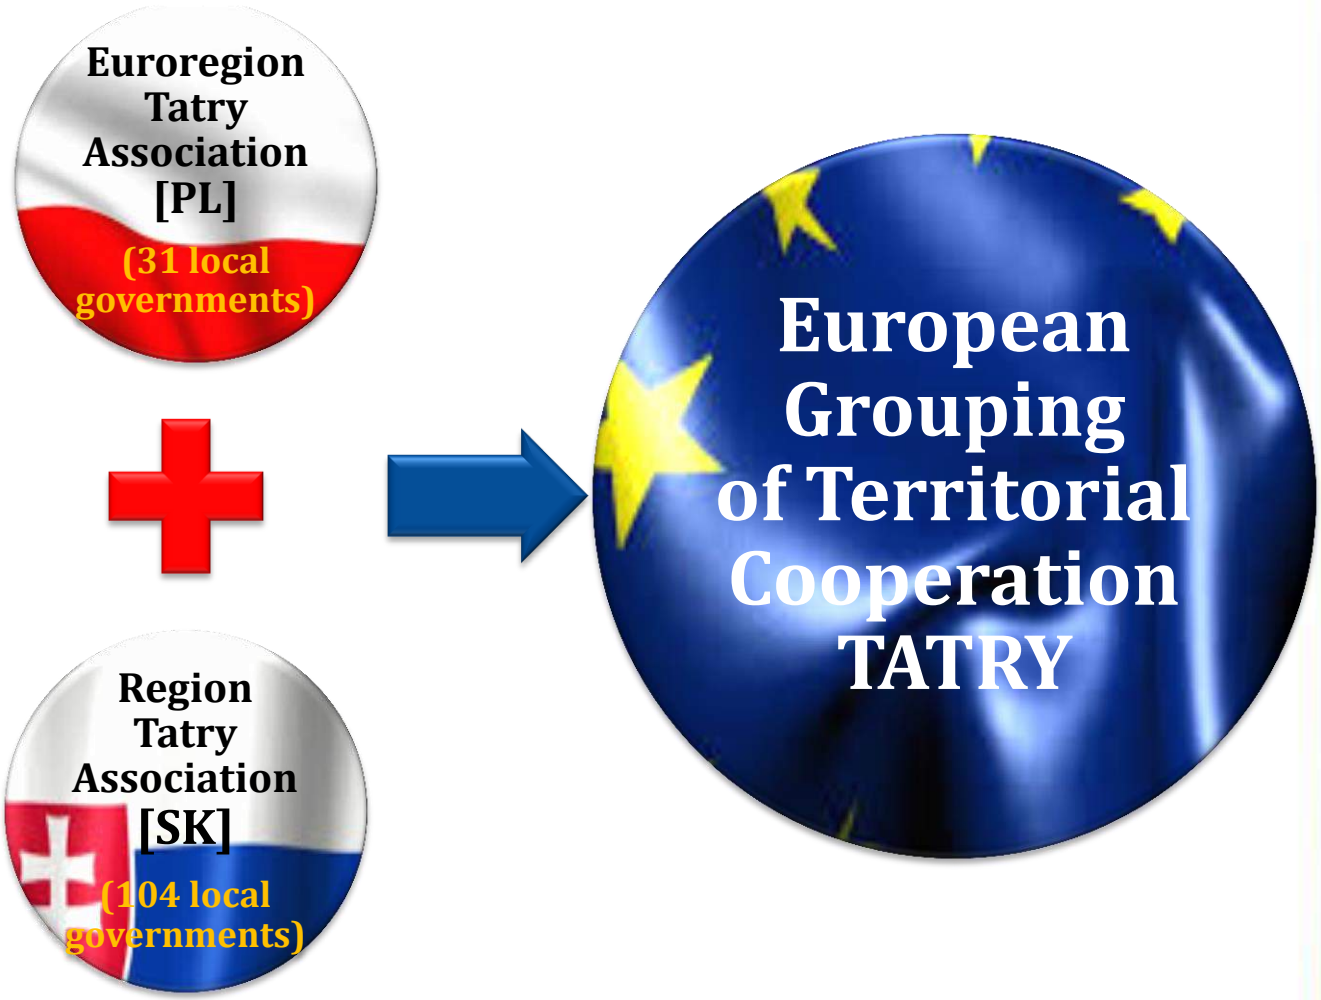
Member of the Assembly of the EGTC TATRY

Bratislava, 09.07.2016

MEMBERS of the EGTC TATRY

The second EGTC with the registered office in Poland (NOWY TARG)

The first EGTC in Polish border established by the Euroregion



OBJECTIVE and TASKS

objective

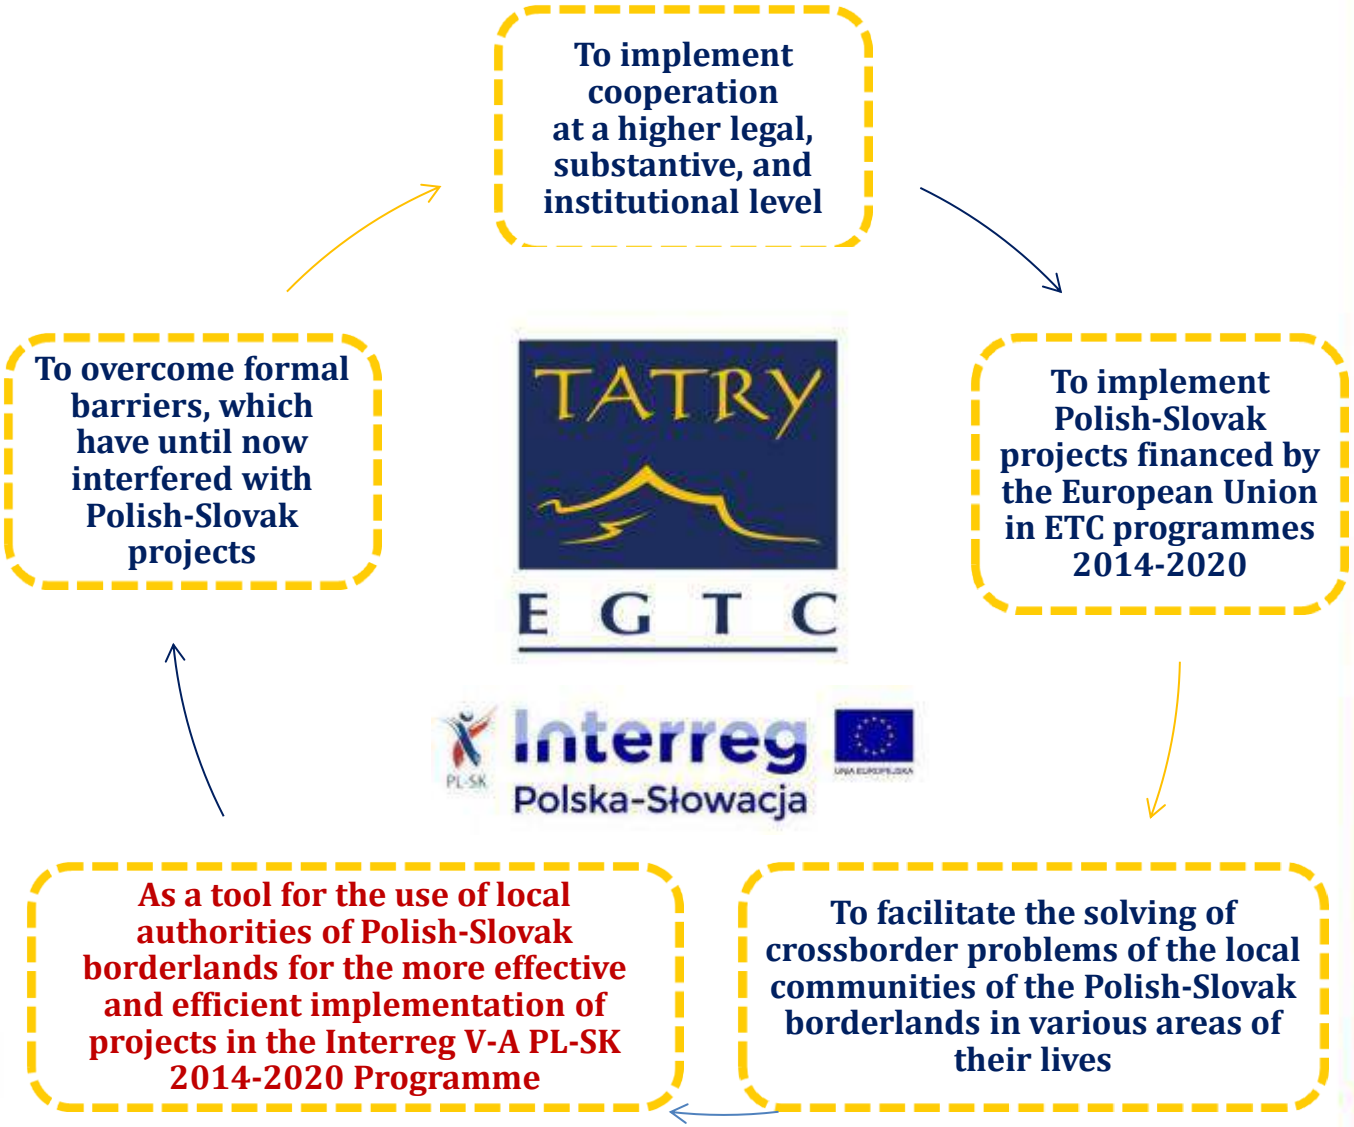
To further develop, facilitate and promote Polish-Slovak cross-border cooperation with a view to enhancing the social and economic cohesion of the Grouping's area of activities on the Polish and Slovak sides of the Tatry Mountains.

The preparation and implementation of territorial cooperation projects co-financed by the European Union, as well as projects without a financial contribution from the European Union

The Grouping may participate in managing and implementing programmes or programme parts financed by the European Union, and in particular Polish-Slovak cross-border micro-projects

tasks

Why did we establish the EGTC TATRY?



HISTORYCZNO-KULTUROWO-PRZYRODNICZY
